## A Warm Welcome in a Wintry February

We live in a world that daily cast aspersions on anything God; a world that is growing in hatred and opposition to God. Our generation has been called a post-Christian one. We don't want to have anything to do with God again. We are in the new age now. People don't want you to mention God in the public space. Ours is a generation that has succeeded in confining God within the four walls of the church. That is where we want Him to remain if He wants to stay in "our world."

The reason for this is just one thing: People don't know Jesus! Jesus is not religion, rules, laws, or whatever He has been associated with. At *The Glory Centre*, we make bold to say that Jesus is actually the solution to everything that is wrong with our world, and that is what we are set to proclaim. Jesus Himself said:

*"The thief comes only to steal and kill and destroy; I have come that they may have life, and have it to the full" (John 10:10).*

Jesus is not the thief that has stolen from us. When you encounter the real Jesus, what you get is the fullness that makes life beautiful. **Join us every weekend to encounter the real Jesus.**

## What we Believe

We believe in the Trinity comprising the Father, Son and the Holy Spirit; all co-equal in power and authority.

We believe that God the Father is the Creator of Heaven and Earth.

We believe in Jesus Christ, the Son, who was crucified for the sins of all humanity and rose on the third day to sit at the right hand of God the Father.

We believe in the Holy Spirit, who dwells in us, guides us and empower us for a victorious Christian life and living.

We believe in the Bible as the infallible Word of God.

We believe in divine healing, the restoration of health to the one who believes and acts on God's word, and that Jesus is the Healer.

We believe in accountability and stewardship of all resources given to humankind.

We believe in water baptism in the name of the Father, Son and Holy Spirit.

We believe that the abundant Christian life is possible in Jesus, and that life manifests in peace, joy, contentment, and victorious living.
